

NOTICE INVITING BIDS

Sealed bids for the 2022 Culinary Water & Sewer Pipeline Replacements Project will be received at the office of Magna Water District, 8885 West 3500 S, Magna, UT 84044 until **9:00 a.m. on May 4th, 2022**, at which time the proposals will be publicly opened and read aloud. Any bid received after the scheduled closing time for receipt of bids will be returned unopened.

A pre-bid conference will be held on Tuesday, April 26th, 2022 at 10:30 A.M. at the office of Magna Water District. Representatives of the Owner and Engineer will be present to discuss the project.

Construction work, in general, consists of the following:

Culinary Pipeline Replacements: Installation of 2,000 feet of 8-inch culinary water pipe, including valves, fittings, connections to existing mains, replacement of approximately 47 existing culinary water services, replacement of existing fire hydrant, asphalt removal and replacement, concrete removal and replacement, traffic control and all appurtenances required to complete the project and coordination to minimize shutdown time and providing temporary services as necessary.

Sewer Pipeline Replacements and Repairs: Installation of 1,170 feet of 8-inch sewer pipe and 173 feet of slip lining a sewer main. The work will include manhole installation, connection to existing manholes, asphalt removal and replacement, concrete removal and replacement, traffic control and all appurtenances required to complete the project and coordination to minimize shutdown time and providing temporary services as necessary.

Culinary Sampling Stations: Installation of 20 culinary water sampling stations at various locations in Magna, Utah.

The completion date for installing the culinary water pipe is **July 15, 2022**. The remainder of the project will have a completion date of **October 14, 2022**.

Electronic copies of the Contract Documents, Specifications and Plans may be requested by emailing Stockton Denos at sdenos@epiceng.net. Those interested in printed copies of Contract Documents, Specifications and Plans may obtain them from EPIC ENGINEERING, P.C., 3341 South 4000 West, West Valley City, Utah 84120, at a cost of fifty dollars (\$50.00) a set for half size drawings. A minimum of 2 hours' notice is required to pick up printed copies of the project documents. Acceptable payment for the above items include cash, cashier's check, or company check. Refunds for Contract Documents, Specifications and Plans will not be made.

Bid security in the form of a certified check, cashier's check or bid bond in the amount of five percent (5%) of the bid shall accompany each proposal.

Magna Water District reserves the right to reject any or all bids, waive any informality in a bid or to withhold the Award for any reason Magna Water District determines.
